BLACK PAW®

THE POWER TO PERFORM

BUILT FOR SPARKS. BACKED BY BLACK PAW.

Industrial-grade workstations for serious fabrications.

BLACK PAW MOBILE FABRICATOR'S WORKSTATION

Black Paw Mobile Fabricator's Workstation – Built for the Shop Floor

Rugged. Mobile. Purpose-Built.
The Black Paw Fabricator's Workstation is engineered specifically for welding shops and fabrication environments where efficiency, mobility, and durability are essential. Designed as a dedicated station for each welder, this compact powerhouse delivers organized functionality right where the work happens.

Perfect for outfitting your entire welding crew — whether you're setting up 5 bays or 20 — this workstation keeps tools, drawings, and consumables within arm's reach and secured at all times.

- Key Features:
- Weld-Ready Design
- Slanted Writing Surface
- Secure Storage at Every Station
- Easy to Move, Locks in Place
- Space-Smart Organizer

Black Paw Mobile Fabricator's Workstation – Built for the Shop Floor

Rugged. Mobile. Purpose-Built.
The Black Paw Fabricator's Workstation is engineered specifically for welding shops and fabrication environments where efficiency, mobility, and durability are essential. Designed as a dedicated station for each welder, this compact powerhouse delivers organized functionality right where the work happens.

Perfect for outfitting your entire welding crew — whether you're setting up 5 bays or 20 — this workstation keeps tools, drawings, and consumables within arm's reach and secured at all times.

Weld-Ready Design:
All-steel, powder-coated construction withstands sparks, grit, and daily shop abuse. Built to handle the real-world demands of fabrication.

✓

Slanted Writing Surface:
Angled top with front lip prevents prints, notes, or consumables from sliding off — ideal for reviewing WPS sheets, part drawings, or taking notes during fit-up.

✓

Secure Storage at Every Station:
Each unit includes a locking drawer and a full locking cabinet — giving your welders a safe place to store personal tools, consumables, and gauges.

✓

Easy to Move, Locks in Place:
Outfitted with 4″ heavy-duty locking swivel casters for quick relocation — or lock it in place right at the booth

✓

Space-Smart Organizer:
Top includes a 3-compartment tray to separate and organize tools, markers, and gloves.

✓

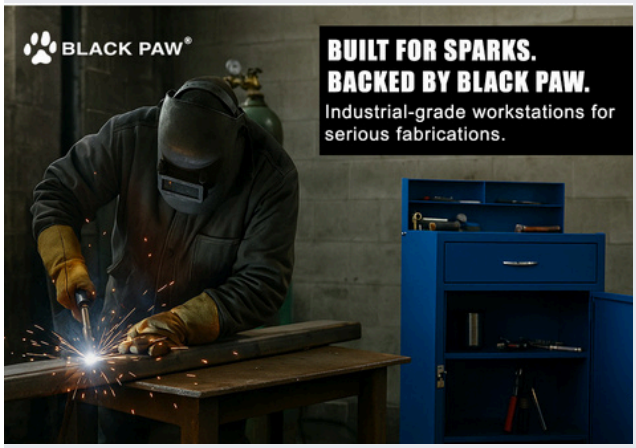

Optimized for Fabrication Efficiency

Outfit your shop with the Black Paw Fabricator's Workstation and give every welder their own command center. Keep tools organized, documents protected, and movement efficient — all in a rugged footprint designed to thrive in the welding bay.

Trusted by fabricators. Built by Black Paw.
