CAMLOCK FITTINGS

Pro Flow Dynamics makes it easy for you to purchase all your aluminum camlock fittings in one place using this online store. These aluminum cam locks, also known as aluminum cam and groove couplings are stocked in sizes 1/2" up to 6", with special sizes like the 8" obtainable by request. Our aluminum camlocks are compatible with Dixon aluminum camlock fittings and PT aluminum couplings. We will supply the best priced quality aluminum camlock couplings that are shipped out of our warehouse right away.
