BUILT FOR THE TOUGH

DEWALT

DEWALT HALOGEN LEATHER, STEEL TOE SAFETY WORK BOOT

SKU: DEW-HALOGEN

The DEWALT Halogen has a steel toe for protection and a TPU shank for additional stability. The boot has a slip and oil resistant rubber outsole and a dual density EVA midsole for stability and cushioning. DEWALT's exclusive ProComfort Insole is the best available, providing enhanced all-day comfort. The ProComfort Insole has an ergonomic arch support, a layer of memory foam for comfort and a quick recovery polyurethane bottom layer, providing for a customized fit and sustained cushioning. The Halogen is treated with DEWALT's Agion antimicrobial silver technology to help eliminate odor.
